

Families Helping Families

To raise funds and grow support for the work of
Foster Parent Association of Washington (FPAWS)

October 22, 2019, 6:30-8:30 pm at the Museum of History and Industry

Join FPAWS in building a community of supporters to address the shortage of foster families across Washington State. We invite you to become part of this large and diverse family who in big ways and little ways provides care, comfort and support to children and families impacted by the child welfare system.

Through training, advocacy, improving the culture of fostering and connection to community programs, FPAWS works to improve the foster care system. <https://fpaws.ejoinme.org/RSVP2019>
