

Recruiters Meeting Notes – October 2019

- Data from RDS meetings
 - Varies from region to region
 - Some offices are very transparent with data
 - Some offices are not consistent
 - Meetings in the summer were not regular
 - When information is shared, this tool does help Recruiters share live information with the community. Community responds well to live information.

- Hubspot Updates

**In-process includes a range of inquiries who respond to submitted forms to Regional Licensors*
